***Lone Star Conference and Expo Center, Conroe, Texas
SAR Dog Attendance Agreement***

This Conference adheres to the NASAR SAR Dog Attendance Policy that may be viewed at <http://www.nasar.org/images/SARDogParticipationAgreement.pdf>. A copy of this file is also attached for your reference.

However, since the AKC Canine Good Citizen Test ("CGC") will be offered as part of this conference K-9s may attend the Conference for the purposes of taking this test. However, if a SAR K-9 meets the other attendance requirements and fails to pass the CGC test then they may not attend the rest of the conference. A SAR K-9 that does not meet the other policy requirements may attend the conference for the specific purpose of the CGC test, but may not attend the Conference pass or fail.

In addition, since the NASAR Canine Section Chair will not be in attendance decisions regarding violations will be made by the conference committee. By signing below you agree to abide by their decisions and direction.

In order to attend the Conference with your SAR K-9 you must complete this form and return it with your registration.

I have reviewed the above policies as referenced and stated above and I agree to abide by the policies at the Conference.
