List of Services:

This special group meets for approximately six weeks—principally in the Spring and Fall—to help those who have sustained significant losses, whether they include the loss of a loved one, a job, or personal health. The Rev. Dr. Peter Thomas is the primary facilitator of the group. Focus areas are: learning expected stages in the grief process, ways to effectively grieve, and ways to get unstuck and move on in the grief process. Individual participants may also share their own personal journeys.
